Welcome to our practice!

"There's a story behind every smile. Everyone wants to have a smile they feel good about, no matter their age, gender, profession, or circumstance, and understanding that simple fact has allowed us to provide not only exceptional results, but a pleasing experience as well. So whatever the story may be, we would like to be a part of yours!"

Welcome to The Perfect Smile. Please take some time to fill out the patient registration, health history forms, and insurance documents. We will be happy to file an insurance claim on your behalf as long as you can provide us with your current dental insurance information. Please bring these forms and any other dental information with you to your first appointment. This might include x-rays and dental history from your previous dentist.

Please allow 60-90 minutes for your first dental appointment. This appointment will include insurance authorization, financial arrangements if needed, x-rays, a comprehensive exam, and a prophylaxis cleaning. We cannot guarantee a deep cleaning during your first visit because we do not know all patients' particular hygiene needs before their initial examination.

Payment is due at the time of your appointment for your portion of the services performed. This includes co-payments, deductibles, and any dental work that is not covered under your current insurance plan. We accept cash, major credit cards, checks, and we offer financing through CareCredit and American Lending. If you have any questions regarding payment or financing, please feel free to contact the office.

If you are unable to keep your dental appointment, please contact the office as soon as possible. We will gladly reschedule your appointment for you.

We look forward to seeing you at your first dental appointment on _____ at _____.
